EDUCATION

Honours Bachelor of Artificial Intelligence

Durham College, Oshawa, ON

Sept 2024 – Apr 2028 (expected)

TECHNICAL SKILLS

Languages: Python, Java, C/C++, JavaScript, HTML/CSS

AI / Machine Learning: LangChain, Ollama, scikit-learn, OpenCV, YOLOv8, Pandas, NumPy

Frameworks & Tools: React.js, Node.js, Express.js, RESTful API design, Streamlit, PostgreSQL, Git, Agile (SCRUM)

PROJECTS

AskLocal — LangChain, Ollama, ChromaDB, Streamlit

github.com/AhmedWalidBarakat/AskLocal

- Built a fully local, privacy-preserving RAG chatbot that answers questions about PDF documents with cited sources — no external API calls, so no data ever leaves the machine.

PulseGuard — scikit-learn, Pandas, Streamlit

github.com/AhmedWalidBarakat/PulseGuard

- Built a predictive maintenance dashboard that forecasts equipment Remaining Useful Life from sensor data using a gradient boosting model, evaluated on machines held out entirely from training.

SiteWatch — YOLOv8, OpenCV, Streamlit

github.com/AhmedWalidBarakat/SiteWatch

- Built a computer vision safety compliance monitor that detects people in a photo and flags missing hard hats or high-visibility vests, combining a pretrained object detector with color-based analysis.

PROFESSIONAL EXPERIENCE

Sales Associate (part-time)

Aug 2020 – Mar 2021

Freshco, Kingston, ON

- Implemented effective communication and interpersonal abilities to promptly address all customer requirements while upholding a tidy and orderly store environment.
- Operated efficiently within a demanding setting, managing to cater to a minimum of 100 customers per shift during holiday periods.

Sales Associate (part-time)

Jul 2022 – Sep 2023

Shoppers Drug Mart, Kingston, ON

- Implemented effective communication and interpersonal abilities to promptly address all customer requirements while upholding a tidy and orderly store environment.
- Operated efficiently within a demanding setting, managing to cater to a minimum of 100 customers per shift during holiday periods.

Student Teacher (part-time)

Jul 2022 – Sep 2023

ISK Mosque, Kingston, ON

- Utilized dynamic teaching techniques and effective classroom management strategies to engage and support students' learning experiences.
